2020 **RMHC**® Community
Impact Report

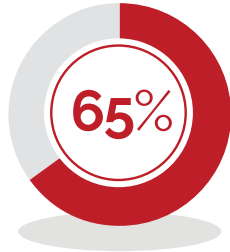

Ever wonder how many families RMHC has helped from ***your*** communities?

Here's what you'll find in this report:

- 1.** The number of families that have been supported by your Regional RMHC Chapter in 2019, and the communities they come from.
- 2.** List of RMHC programs offered by your Regional RMHC Chapter.
- 3.** Contact information for your Regional RMHC Chapter should you require any further information.

Did you know?

65% of Canadians **live outside of a city** with a children's hospital?

That means families with sick children often **must travel long distances** for their child to receive specialized medical treatment.

Each year, we support **over 25,000 families** across Canada with a place to stay together, close to the hospital where their child is being treated.

16

Ronald McDonald Houses

provide out-of-town families with a home to stay at while their child is being treated at a nearby hospital.

17

Ronald McDonald Family Rooms

are located right inside hospitals and provide a comfortable place for families to rest and recharge.

1

Ronald McDonald Care Mobile

is a Mobile health unit that brings medical care to underserved communities in Alberta.

RMHC Manitoba

The Kehler Family | Winnipeg, Manitoba | **11 nights**

"If it wasn't for the Ronald McDonald Family Room, I'm not sure where we would be, not so much from a physical standpoint, but from a mental one. At the Family Room, you can emotionally reset, have a moment of relaxation, and a safe place to get away from the hospital atmosphere. The Family Room is a great place to connect with other families that are dealing with some pretty crazy situations, themselves. We've been able to support each other while staying in the space...During some of the most stressful times we've faced on our healing journey, it has been comforting knowing we are not alone in experiencing the challenges that come with having a sick or injured child."

RMHC Manitoba operates the following Programs:
