2020 **RMHC**® Community
Impact Report

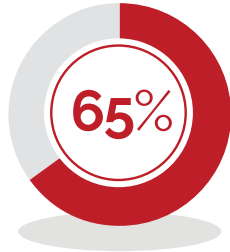

Ever wonder how many families RMHC has helped from ***your*** communities?

Here's what you'll find in this report:

- 1.** The number of families that have been supported by your Regional RMHC Chapter in 2019, and the communities they come from.
- 2.** List of RMHC programs offered by your Regional RMHC Chapter.
- 3.** Contact information for your Regional RMHC Chapter should you require any further information.

Did you know?

65% of Canadians **live outside of a city** with a children's hospital?

That means families with sick children often **must travel long distances** for their child to receive specialized medical treatment.

Each year, we support **over 25,000 families** across Canada with a place to stay together, close to the hospital where their child is being treated.

16

Ronald McDonald Houses

provide out-of-town families with a home to stay at while their child is being treated at a nearby hospital.

17

Ronald McDonald Family Rooms

are located right inside hospitals and provide a comfortable place for families to rest and recharge.

1

Ronald McDonald Care Mobile

is a Mobile health unit that brings medical care to underserved communities in Alberta.

RMHC Newfoundland & Labrador

The Skinner Family | Massey Drive, Newfoundland | **159 nights**

"When we first found out about Josh's illness it was like our lives were turned upside down. It's something you never want to hear, especially for your child. We first thought we would be away from home for only a few days but later learned he would need to have a number of surgeries and treatment and we would have to stay for approx. 10 months...Ronald McDonald House has gone above and beyond to make us feel at home here and have become a part of our extended family. We couldn't ask for a better place to stay as we continue to go through this tough journey together."

RMHC Newfoundland & Labrador operates the following Programs:

Ronald McDonald House Newfoundland & Labrador
150 Clinch Crescent
St. John's, NL
