

Look inside to see how many families you've helped from your community!

2020 **RMHC**® Community
Impact Report

Ever wonder how many families RMHC has helped from ***your*** communities?

Here's what you'll find in this report:

- 1.** The number of families that have been supported by your Regional RMHC Chapter in 2019, and the communities they come from.
- 2.** List of RMHC programs offered by your Regional RMHC Chapter.
- 3.** Contact information for your Regional RMHC Chapter should you require any further information.

Did you know?

65% of Canadians **live outside of a city** with a children's hospital?

That means families with sick children often **must travel long distances** for their child to receive specialized medical treatment.

Each year, we support **over 25,000 families** across Canada with a place to stay together, close to the hospital where their child is being treated.

16

Ronald McDonald Houses

provide out-of-town families with a home to stay at while their child is being treated at a nearby hospital.

17

Ronald McDonald Family Rooms

are located right inside hospitals and provide a comfortable place for families to rest and recharge.

1

Ronald McDonald Care Mobile

is a Mobile health unit that brings medical care to underserved communities in Alberta.

RMHC Saskatchewan

The Hilt Family | Regina, Saskatchewan | **42 nights**

"The house became so much more than a place to stay, I have made so many friends and have been able to support so many others in situations like ours. I always look forward to see the friendly familiar faces of the staff and volunteers and my anxiety of being away from home is so much less now! Having a consistent place to stay at for my daughter's surgeries and specialist appointments relieves so much of our stress...we are so grateful to have the Ronald McDonald House. We've made life long friends, we've gained confidence by talking to others about our journey and have also learned to heal with the help of the supports the house has. From the bottom of our mended hearts, thank you."
