2020 **RMHC**® Community
Impact Report

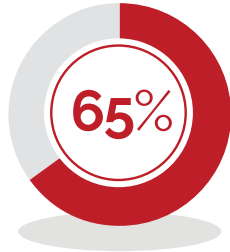

Ever wonder how many families RMHC has helped from ***your*** communities?

Here's what you'll find in this report:

- 1.** The number of families that have been supported by your Regional RMHC Chapter in 2019, and the communities they come from.
- 2.** List of RMHC programs offered by your Regional RMHC Chapter.
- 3.** Contact information for your Regional RMHC Chapter should you require any further information.

Did you know?

65% of Canadians **live outside of a city** with a children's hospital?

That means families with sick children often **must travel long distances** for their child to receive specialized medical treatment.

Each year, we support **over 25,000 families** across Canada with a place to stay together, close to the hospital where their child is being treated.

16

Ronald McDonald Houses

provide out-of-town families with a home to stay at while their child is being treated at a nearby hospital.

17

Ronald McDonald Family Rooms

are located right inside hospitals and provide a comfortable place for families to rest and recharge.

1

Ronald McDonald Care Mobile

is a Mobile health unit that brings medical care to underserved communities in Alberta.

RMHC South Central Ontario

The Schlegel Family | Kitchener, Ontario | 125 nights

"When we realized that we would have our children being taken care of in Hamilton and we lived in Kitchener I could not wrap my head around how I was going to manage. We wanted to be with the triplets every moment. How do we spread ourselves evenly amongst three babies that were trying to survive and make it through each day?

We were honestly in shock that we were getting the privilege to stay at the Ronald McDonald House...It felt like home. We left our worries at the front door as we knew we were safe and being taken care of while our triplets were a block away being taken care of as well."

RMHC South Central Ontario operates the following Programs:

Ronald McDonald House South Central Ontario
1510 Main Street West
Hamilton, ON

2 Ronald McDonald Family Rooms
McMaster Children's Hospital

In 2019, RMHC South Central Ontario served **2,615** families from **150** communities across Canada **thanks to your support!**
