

Look inside to see
how many families
you've helped from
your community!

2020 **RMHC**® Community
Impact Report

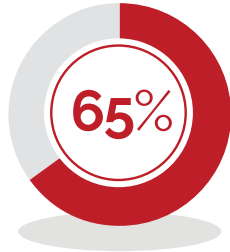

Ever wonder how many families RMHC has helped from ***your*** communities?

Here's what you'll find in this report:

- 1.** The number of families that have been supported by your Regional RMHC Chapter in 2019, and the communities they come from.
- 2.** List of RMHC programs offered by your Regional RMHC Chapter.
- 3.** Contact information for your Regional RMHC Chapter should you require any further information.

Did you know?

65% of Canadians **live outside of a city** with a children's hospital?

That means families with sick children often **must travel long distances** for their child to receive specialized medical treatment.

Each year, we support **over 25,000 families** across Canada with a place to stay together, close to the hospital where their child is being treated.

16

Ronald McDonald Houses

provide out-of-town families with a home to stay at while their child is being treated at a nearby hospital.

17

Ronald McDonald Family Rooms

are located right inside hospitals and provide a comfortable place for families to rest and recharge.

1

Ronald McDonald Care Mobile

is a Mobile health unit that brings medical care to underserved communities in Alberta.

RMHC Southwestern Ontario

The Paquette Family | Belle River, Ontario | 90 nights

"Home is not a place...it's a feeling. When we think about Ronald McDonald House, the first thing that comes to mind is the word home... The lasting impression that we have of RMHC is that it felt like a retreat, a respite from the long days spent engaging with health care professionals. It allowed us the opportunity to have some normalcy: eat as a family, converse with fellow families, and have a restful night's sleep. RMHC handled all the little things so that we were able to better focus our energy where we really needed it: our daughter's treatment."

RMHC Southwestern Ontario operates the following Programs:

Ronald McDonald House Southwestern Ontario – London
741 Baseline Road East, London, ON
Ronald McDonald House Southwestern Ontario – Windsor
Windsor Regional Hospital, 1995 Lens Ave. Windsor, ON

Ronald McDonald Family Rooms
Children's Hospital
London Health Sciences Centre

In 2019, RMHC Southwestern Ontario served **4,605** families from **281** communities across Canada **thanks to your support!**

To find out more information about RMHC Southwestern Ontario and the families that we serve through your support, please contact us – we are here to help!
